The grievant and his/her representative may have a reasonable amount of paid time off for this purpose. However, said representative will receive paid time off only if he/she is a member of the Union, and, is employed within a reasonable distance from the work location of the grievant.

B. GRIEVANCE PROCEDURE

Section I – Definitions

Grievance

A grievance is defined as any dispute concerning the interpretation or application of this written Memorandum of Understanding or of written departmental rules, and regulations, and written, personnel practices or written working conditions applicable to employees covered by this Memorandum of Understanding. The immediate supervisor will, upon request of a grievant, discuss the grievance with him/her at a mutually satisfactory time. The grievant may be represented by a representative of his/her choice in the informal discussion with his/her immediate supervisor, and in all formal review levels.
- C. The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement or, the grievant and Management may waive one level of review from this grievance procedure.
- D. Management shall notify Local 777 of any formal grievance filed that involves the interpretation and/or application of the provisions of this Memorandum of Understanding and a Union Staff Representative shall have the right to be present and participate in the discussion at any formal grievance meeting concerning such a grievance. If the Union Staff Representative elects to attend said grievance meeting, he/she shall inform the Employer of his/her intention. The Union will be notified of the resolution of all other formal grievances.
- E. Procedure For Grievances Affecting a Group of Employees

The Union may elect to file a grievance on behalf of two or more employees. The fact and issues of the grievance must be the same.

The Union shall file the grievance in writing with the Employer within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue with the Employer.

Section III – Procedure

The grievance procedure for employees covered by this Memorandum of Understanding shall as follows:

Step 1 – Informal Discussion

The grievant shall discuss his/her grievance with his/her immediate supervisor on an informal basis in an effort to resolve the grievance and said grievance shall be considered waived if not so presented to the immediate supervisor within fifteen (15) calendar days following the day during which the event upon which the grievance is based occurred, or when the employee could have reasonably known about the event occurring.

The immediate supervisor shall respond within (5) calendar day following his/her meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process his/her grievance at the next step.

Step 2 – First Level of Review

If the grievance is not settled at Step 1, the grievant may serve written notice of the grievance on a form provided by the Employer upon the Employer designated to review the grievance at Step 2 within seven (7) calendar days of receipt of the grievance response at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within fifteen (15) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance to the next step.

Step 3 – Second Level of Review

If the grievance is not settled at Step 2, the grievant may serve written notice of the grievance on said form upon the person designated to review the grievance at Step 3 within seven (7) calendar days of receipt of the Step 2 grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, said person shall meet with the grievant, and a written decision of statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within fifteen (15) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance to an advisory hearing.

Step 4 – Advisory Hearing

If written decision at Step 3 does not settle the grievance, the grievant and LIUNA jointly may serve upon the Employer written request for an Advisory Hearing. The request for an Advisory Hearing must be filed within ten (10) calendar days following receipt of the date of service of the written decision of the Employer. Failure of the grievant and/or Local 777 to timely file such request, shall constitute a waiver of the grievance.

If such written notice is served, the parties shall meet for the purpose of selecting an advisory hearing officer from a list of seven mutually-selected hearing officers chosen from a list provided by the State Mediation and Conciliation Service.

- A. The hearing of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or by the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the hearing officer shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees or witnesses, transcripts, and similar costs incurred by the parties during such Advisory hearing, will be the responsibility of the individual party incurring same.
- B. The advisory decision of a hearing officer resulting from the hearing of any grievance hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of the Memorandum of Understanding, and shall be binding upon the parties.
- C. The advisory decision of the hearing officer shall be presented by the hearing officer, to the Executive Director, who shall render a final decision based upon a review of the record. The final decision shall be rendered not later than thirty (30) calendar days after the Executive Director receives the complete record.

ARTICLE 21 DISCIPLINE

ADMINISTRATIVE AND PERSONNEL POLICY 132 REMOVAL OF PERSONNEL provides in pertinent part that all officers and regular employees serve at the pleasure of the Executive Director and therefore may be removed, suspended or demoted at any time without stated cause. No provision of this Article 21 or other MOU provision shall abrogate these stated requirements of ADMINISTRATIVE AND PERSONNEL POLICY 132 REMOVAL OF PERSONNEL.

Each bargaining unit employee will be afforded a pre-disciplinary meeting prior to the imposition of discipline.

NOTICE OF DISCIPLINARY ACTION

- A. For unit members, written notice of intent to take disciplinary action, except for written reprimands, shall be served on the affected employee, except as previously provided, at least five (5) working days prior to the effective date of the action and shall include:
 - 1. A description of the action(s) to be taken and the expected effective date(s);

- B. After considering the response or if the time to respond has elapsed without the employee responding, written notice that the disciplinary action will be implemented shall be served on the employee on/or before the effective date of the action and shall include:
 - 1. A statement informing the employee of the disciplinary action(s) taken, the effective date(s) of the action(s), and that the action is being taken for the acts specified in the letter of intent.
 - 2. The disciplinary decision of the Executive Director shall be final without right of administrative appeal.

ARTICLE 22

ADMINISTRATIVE AND PERSONNEL POLICY REVISIONS

119 Standby and Callback Status

Standby compensation shall be \$125.00 for each Thursday through Thursday standby period.

128 Holidays

On the observance of the Commission-observed holidays, Officers and regular employees shall be entitled to the following paid holidays as long as they have been compensated for the day before and the day after the holiday is observed. Employees shall be compensated for the hours they would regularly work, not to exceed eight (8) hours.

Those employees actually working a 9/80 schedule during the payroll period when a "paid holiday" is observed, shall be provided the opportunity to work one (1) additional hour during the payroll week in which the "paid holiday" is observed. The purpose of providing the additional one (1) hour of work is to avoid a holiday-caused loss of one (1) hour of compensation during the impacted payroll week, as would be the result where a 9/80 employee receives holiday compensation in an amount not to exceed eight hours. It shall be the responsibility of the affected employee to initiate contact with the employee's supervisor in order to schedule the additional one (1) hour of work. The supervisor shall reasonably attempt to accommodate the employee's preference regarding the date and time that the additional one (1) hour of work shall occur. Absent a supervisor's reasonable ability to accommodate the employee's preference in this regard, the supervisor shall calendar a different time for performance of the additional one (1) hour of work. The employee shall have the option of foregoing the additional one (1) hour of work, in which case, the employee's holiday compensation shall not exceed eight (8) hours as regards observance of the holiday. The employee shall initiate scheduling contact with the supervisor, not less than one work week prior to the date of observance of a holiday.

202.1 Optional Benefits Plan

Effective upon the later of January 1, 2011 or approval by the Board of this 2011-2012 MOU as to officers and regular employees hired before October 1, 1997, the Commission will contribute a maximum of \$745.00 per month for employee and dependent for group medical insurance coverage. The Executive Director retains the discretion to increase this amount contingent upon Board approval. Any unused contribution is used for the employee's deferred compensation plan or paid as taxable income.

Separate and distinct from the above optional benefit plan contribution, the Commission periodically exercises its discretion as to whether or not to provide a "subsidizing" of the medical insurance premiums that shall be effective during any given period of time. In the event that the Commission does exercise this discretion as regards unrepresented employees, the same amount of discretionary "subsidizing" of said insurance premiums shall be afforded to unit members. For the 2011 calendar year, the Commission shall provide a subsidy of the medical insurance premiums equivalent to that provided for non-represented employees.

202.2 Flexible Benefits Plan

(Paragraph 5) Effective the later of January 1, 2011 or upon approval by the Board of this 2011-2012 MOU, the Commission's monthly contribution for the Flexible Benefits Plan effective, will be the greater of \$1,003.00 or the following percentage of an employee's monthly salary based on years of service as of the employee's anniversary date (all years "of service" are "full years" of service, not the commencement of the designated year of service).

Separate and distinct from the above flexible benefit plan contribution, the Commission periodically exercises its discretion as to whether or not to provide a "subsidizing" of the medical insurance premiums that shall be effective during any given period of time. In the event that the

Commission does exercise this discretion as regards unrepresented employees, the same amount of discretionary "subsidizing" of said insurance premiums shall be afforded to unit members. For the 2011 calendar year, the Commission shall provide a subsidy of the medical insurance premiums equivalent to that provided for non-represented employees.

216 Retiree Medical

Effective July 1, 1992, the Commission has provided retiree medical benefits for only eligible Officers and regular employees. This policy will only apply to Commission employees who have been hired before the implementation date of this MOU. In order to be eligible an Officer or regular employee must have at least 10 years of continuous service with the Commission, or continuous previous service credit with the Housing Authority of the County of Los Angeles; and must be at least 50 years of age at retirement. The Commission will contribute towards the payment of medical insurance for the Officer or regular employee only per the following schedule:

| | |
|--------------------------------|---|
| 10 - 14 years of service..... | 75% |
| 15 - 19 years of service | 75% + 5% for every year of service over 15 years |
| 20 + years of service | 100% |

(A "year of service" is a full year.)

Effective January 1, 2005, the Commission will not contribute more than the highest amount contributed for a current regular employee of the Commission for employee only medical insurance. Further, the Commission reserves the right in its absolute discretion to pay no more than the amount paid on behalf of current regular employees for the most inexpensive employee only medical insurance.

Should a retiree decide to move outside of the service area of the current Commission health plans, the retiree is responsible for obtaining his/her own health insurance. Upon the retiree providing proof of insurance and cost of insurance coverage, the Commission will directly reimburse the retiree. The percentage of reimbursement will be based upon the above years of service schedule and no more than the highest amount contributed for a current regular employee of the Commission for employee only medical insurance. In no case will the Commission reimburse the retiree an amount exceeding the actual cost of medical insurance coverage. The Commission also reserves the right in its absolute discretion to pay no more than the amount paid on behalf of current regular employees for the most inexpensive employee only medical insurance.

In addition, all retirees are required to enroll in Medicare Parts A & B upon reaching eligibility age. If the retiree fails to enroll in a timely manner, the Commission reserves the right in its absolute discretion to take a credit against the cost of medical coverage. If the retiree fails to ultimately enroll in Medicare Parts A & B, the Commission in its absolute discretion may cease

to contribute towards the payment of medical insurance as provided in the above years of service schedule.

Effective as to employees hired on and after the implementation date of this MOU, the Commission will provide retiree medical benefits for only eligible Officers and regular employees. In order to be eligible, an Officer or regular employee must have at least 25 years of continuous service with the Commission; and must be at least 50 years of age at retirement. 216.3 COMPUTATION OF "YEARS OF SERVICE"

Section 104.3 of the Administrative and Personnel Policies defines in pertinent part that a "contract appointment" means employment of a person to be paid on an hourly or salary basis.

Administrative and Personnel Policy Section 104.4 provides in pertinent part that a "regular appointment" is employment other than as an officer or a contract or temporary appointment.

Therefore, and as regards Administrative and Personnel Policies Sections 216, 216.1 and 216.2, a "regular employee" shall be entitled to include prior service as a "contract employee" in determining whether or not the "regular employee" has the requisite number of years of continuous service with the Commission, so as to entitle the "regular employee" to participate in the retiree medical, retiree dental and retiree vision programs set forth within these Administrative and Personnel Policies.

301.1 Flexible Benefits Plan

Effective January 1, 2010, regular employees enrolled in the flexible benefits plan shall receive leave time for both the first and second pay period of every month at a rate of 3.334 hours per pay period (80 hours divided by 24 pay periods) subject to the Commission's continuous service rule (Administrative Policy 201.) The other elements of Section 301.1 shall remain unchanged unless incompatible with this modification, in which case those incompatible sections shall be brought into compliance with this proposed modification.

Section 301.1 shall be further amended as follows:

(This paragraph is subject to the "Continuous Service Rule," and the requirement that an employee shall have completed one full calendar month of compensated service.) Subject to the above accrual rate of 3.334 hours per pay period, on January 1 of each calendar year, each affected employee shall be credited with 80 hours of non-elective annual leave. Upon being credited, all such hours shall be available for use in accord with COMMISSION policies governing application for, and granting of, use of non-elective annual leave. However, if any affected employee separates from COMMISSION employment prior to having completed the 24 pay periods by which the 80 hours is earned at the 3.334 hours per pay period rate, that employee shall be required upon separation to reimburse the COMMISSION for the value of non-elective annual leave hours which have been utilized at the time of separation, but which would have not have been earned pursuant to the above formula. Conversely, at the time of separation from employment, the employee shall be authorized to convert to cash the value of those non-elective annual leave hours which were not used, but are considered earned in accord with the above formula. (For example, if an employee separates upon completing the first six payroll periods of the calendar year and has already utilized the above 80 hours, the employee owes the COMMISSION approximately 60 hours of time. If the employee separates upon completing the same first six payroll periods of the calendar year, but has used none of the above 80 hours, the employee would be entitled to payment of approximately 20 hours of non-elective annual leave time).

411 Military Spouse Leave

In accordance with the California law, Military and Veterans Code section 395.10, a qualified employee, who works an average of twenty hours or more per week, shall be entitled to take off

up to ten days of unpaid leave during a qualified leave period of his or her spouse in the military, if his or her employer has 25 or more employees.

A qualified employee is a spouse of a qualified member of the Armed Forces, National Guard, and Reserves. A qualified leave period is when the qualified member of the military is on leave from deployment during a period of military conflict.

The qualified employee must submit written documentation to his or her employer certifying that his or her spouse will be on leave from deployment during the time the leave is requested.

This policy will be interpreted under the provision of California Military and Veterans Code section 395.10.

To the extent that any provision of this MOU is inconsistent with a provision of the Commission's Administrative and Personnel Policies or other governing rules and regulations, the provisions of this MOU shall prevail.

- C. The advisory decision of the hearing officer shall be presented by the hearing officer, to the Executive Director, who shall render a final decision based upon a review of the record. ARTICLE 22

ADMINISTRATIVE AND PERSONNEL POLICY REVISIONS

119 Standby and Callback Status

Standby compensation shall be \$125.00 for each Thursday through Thursday standby period.

128 Holidays

Section 128 shall be modified to provide that those employees whose 9/80 Friday "off" falls on a Commission-observed holiday, will earn eight (8) hours of non-elective leave time which shall be added to the employee's leave bank during the pay period following the observed holiday. In any case where the employee has already earned the maximum amount of leave bank hours that

shall be accumulated, eight (8) hours of each compensation shall instead be provided to employee.

On the observance of the Commission-observed holidays, Officers and regular employees shall be entitled to the following paid holidays as long as they have been compensated for the day before and the day after the holiday is observed. Employees shall be compensated for the hours they would regularly work, not to exceed eight (8) hours.

Those employees actually working a 9/80 schedule during the payroll period when a "paid holiday" is observed, shall be provided the opportunity to work one (1) additional hour during the payroll week in which the "paid holiday" is observed. The purpose of providing the additional one (1) hour of work is to avoid a holiday-caused loss of one (1) hour of compensation during the impacted payroll week, as would be the result where a 9/80 employee receives holiday compensation in an amount not to exceed eight hours. It shall be the responsibility of the affected employee to initiate contact with the employee's supervisor in order to schedule the additional one (1) hour of work. The supervisor shall reasonably attempt to accommodate the employee's preference regarding the date and time that the additional one (1) hour of work shall occur. Absent a supervisor's reasonable ability to accommodate the employee's preference in this regard, the supervisor shall calendar a different time for performance of the additional one (1) hour of work. The employee shall have the option of foregoing the additional one (1) hour of work, in which case, the employee's holiday compensation shall not exceed eight (8) hours as regards observance of the holiday. The employee shall initiate scheduling contact with the supervisor, not less than one work week prior to the date of observance of a holiday.

202.1 Optional Benefits Plan

Effective upon the later of January 1, 2011 or approval by the Board of this 2011-2012 MOU as to officers and regular employees hired before October 1, 1997, the Commission will contribute a maximum of \$745.00 per month for employee and dependent for group medical insurance coverage. The Executive Director retains the discretion to increase this amount contingent upon Board approval. Any unused contribution is used for the employee's deferred compensation plan or paid as taxable income.

Separate and distinct from the above optional benefit plan contribution, the Commission periodically exercises its discretion as to whether or not to provide a "subsidizing" of the medical insurance premiums that shall be effective during any given period of time. In the event that the Commission does exercise this discretion as regards unrepresented employees, the same amount of discretionary "subsidizing" of said insurance premiums shall be afforded to unit members. For the 2011 calendar year, the Commission shall provide a subsidy of the medical insurance premiums equivalent to that provided for non-represented employees.

Flexible Benefits Plan

(Paragraph 5) Effective the later of January 1, 2011 or upon approval by the Board of this 2011-2012 MOU, the Commission's monthly contribution for the Flexible Benefits Plan effective, will be the greater of \$1,003.00 or the following percentage of an employee's monthly salary based on

years of service as of the employee's anniversary date (all years "of service" are "full years" of service, not the commencement of the designated year of service).

Separate and distinct from the above flexible benefit plan contribution, the Commission periodically exercises its discretion as to whether or not to provide a "subsidizing" of the medical insurance premiums that shall be effective during any given period of time. In the event that the Commission does exercise this discretion as regards unrepresented employees, the same amount of discretionary "subsidizing" of said insurance premiums shall be afforded to unit members. For the 2011 calendar year, the Commission shall provide a subsidy of the medical insurance premiums equivalent to that provided for non-represented employees.

216 Retiree Medical

Effective July 1, 1992, the Commission has provided retiree medical benefits for only eligible Officers and regular employees. This policy will only apply to Commission employees who have been hired before the implementation date of this MOU. In order to be eligible an Officer or regular employee must have at least 10 years of continuous service with the Commission, or continuous previous service credit with the Housing Authority of the County of Los Angeles; and must be at least 50 years of age at retirement. The Commission will contribute towards the payment of medical insurance for the Officer or regular employee only per the following schedule:

| | |
|--------------------------------|---|
| 10 - 14 years of service..... | 75% |
| 15 - 19 years of service | 75% + 5% for every year of service over 15 years |
| 20 + years of service | 100% |

(A "year of service" is a full year.)

Effective January 1, 2005, the Commission will not contribute more than the highest amount contributed for a current regular employee of the Commission for employee only medical insurance. Further, the Commission reserves the right in its absolute discretion to pay no more than the amount paid on behalf of current regular employees for the most inexpensive employee only medical insurance.

Should a retiree decide to move outside of the service area of the current Commission health plans, the retiree is responsible for obtaining his/her own health insurance. Upon the retiree providing proof of insurance and cost of insurance coverage, the Commission will directly reimburse the retiree. The percentage of reimbursement will be based upon the above years of service schedule and no more than the highest amount contributed for a current regular employee of the Commission for employee only medical insurance. In no case will the Commission reimburse the retiree an amount exceeding the actual cost of medical insurance coverage. The Commission also reserves the right in its absolute discretion to pay no more than the amount paid on behalf of current regular employees for the most inexpensive employee only medical insurance.

In addition, all retirees are required to enroll in Medicare Parts A & B upon reaching eligibility age. If the retiree fails to enroll in a timely manner, the Commission reserves the right in its absolute discretion to take a credit against the cost of medical coverage. If the retiree fails to ultimately enroll in Medicare Parts A & B, the Commission in its absolute discretion may cease to contribute towards the payment of medical insurance as provided in the above years of service schedule.

Effective as to employees hired on and after the implementation date of this MOU, the Commission will provide retiree medical benefits for only eligible Officers and regular employees. In order to be eligible, an Officer or regular employee must have at least 25 years of continuous service with the Commission; and must be at least 50 years of age at retirement. The Commission will contribute towards the payment of medical insurance for the Officer or regular employee only per the following schedule:

| | |
|----------------------|------|
| 25 years of services | 100% |
|----------------------|------|

216.1 Retiree Dental

Effective January 1, 2006, the Commission has provided retiree dental coverage for only eligible Officers and regular employees. This policy will only apply to Commission employees who have been hired before the implementation date of this MOU. In order to be eligible an *Officer or regular* employee, must have at least 10 years of continuous service with the Commission, or continuous previous service credit with the Housing Authority of the County of Los Angeles; and must be at least 50 years of age at the time of retirement. The Commission will contribute towards the payment of managed care dental insurance for the *Officer or regular* employee only per the following schedule:

| | |
|--------------------------------|--|
| 10 - 14 years of service..... | 75% |
| 15 - 19 years of service | 75% + 5% for every year of service over 15 years |
| 20 + years of service | 100% |

(A "year of service" is a full year.)

The Commission will not contribute more than the amount equivalent to the amount paid for a current regular employee for employee only dental insurance benefits in the managed care dental plan of the Commission.

The Commission reserves the right in its absolute discretion to evaluate on an annual basis the feasibility of, and if the budget permits, fund continuation of dental coverage for the coming year. The Commission will notify all participating retirees of its decision during the annual open enrollment period.

Any retiree who is outside the service area of the current managed care dental plan of the Commission, the retiree is responsible for obtaining his/her own dental insurance. Upon the

retiree providing satisfactory proof of dental insurance and cost of dental insurance, the Commission will directly reimburse the retiree. The percentage of reimbursement will be based upon the above years of service schedule and no more than an amount equivalent to the amount paid for a current regular employee for employee only dental insurance benefits in the managed care dental plan of the Commission. In no case will the Commission reimburse the retiree an amount exceeding the actual cost of dental insurance coverage.

Effective as to employees hired on and after the implementation date of this MOU, the Commission will provide retiree dental benefits for only eligible Officers and regular employees. In order to be eligible, an Officer or regular employee must have at least 25 years of continuous service with the Commission; and must be at least 50 years of age at retirement. The Commission will contribute towards the payment of dental insurance for the Officer or regular employee only per the following schedule:

| | |
|----------------------|------|
| 25 years of services | 100% |
|----------------------|------|

216.2 Retiree Vision

Effective January 1, 2006, the Commission has provided retiree vision coverage for only eligible Officers and regular employees. This policy will only apply to Commission employees who have been hired before the implementation date of this MOU. In order to be eligible an *Officer or regular* employee, you must have at least 10 years of continuous service with the Commission, or continuous previous service credit with the Housing Authority of the County of Los Angeles; and must be at least 50 years of age at the time of retirement. The Commission will contribute towards the payment of vision insurance for the *Officer or regular* employee only per the following schedule:

| | |
|-------------------------------|--|
| 10 - 14 years of service..... | 75% |
| 15 - 19 years of service..... | 75% + 5% for every year of service over 15 years |
| 20 + years of service | 100% |

(A "year of service" is a full year.)

Effective as to employees hired on and after the implementation date of this MOU, the Commission will provide retiree vision benefits for only eligible Officers and regular employees. In order to be eligible, an Officer or regular employee must have at least 25 years of continuous service with the Commission; and must be at least 50 years of age at retirement. The Commission will contribute towards the payment of vision insurance for the Officer or regular employee only per the following schedule:

| | |
|----------------------|------|
| 25 years of services | 100% |
|----------------------|------|

216.3 COMPUTATION OF "YEARS OF SERVICE"

Section 104.3 of the Administrative and Personnel Policies defines in pertinent part that a "contract appointment" means employment of a person to be paid on an hourly or salary basis.

Administrative and Personnel Policy Section 104.4 provides in pertinent part that a "regular appointment" is employment other than as an officer or a contract or temporary appointment.

Therefore, and as regards Administrative and Personnel Policies Sections 216, 216.1 and 216.2, a "regular employee" shall be entitled to include prior service as a "contract employee" in determining whether or not the "regular employee" has the requisite number of years of continuous service with the Commission, so as to entitle the "regular employee" to participate in the retiree medical, retiree dental and retiree vision programs set forth within these Administrative and Personnel Policies.

301.1 Flexible Benefits Plan

Effective January 1, 2010, regular employees enrolled in the flexible benefits plan shall receive leave time for both the first and second pay period of every month at a rate of 3.334 hours per pay period (80 hours divided by 24 pay periods) subject to the Commission's continuous service rule (Administrative Policy 201.) The other elements of Section 301.1 shall remain unchanged unless incompatible with this modification, in which case those incompatible sections shall be brought into compliance with this proposed modification.

Section 301.1 shall be further amended as follows:

(This paragraph is subject to the "Continuous Service Rule," and the requirement that an employee shall have completed one full calendar month of compensated service.) Subject to the above accrual rate of 3.334 hours per pay period, on January 1 of each calendar year, each affected employee shall be credited with 80 hours of non-elective annual leave. Upon being credited, all such hours shall be available for use in accord with Commission policies governing application for, and granting of, use of non-elective annual leave. However, if any affected employee separates from Commission employment prior to having completed the 24 pay periods by which the 80 hours is earned at the 3.334 hours per pay period rate, that employee shall be required upon separation to reimburse the Commission for the value of non-elective annual leave hours which have been utilized at the time of separation, but which would have not have been earned pursuant to the above formula. Conversely, at the time of separation from employment, the employee shall be authorized to convert to cash the value of those non-elective annual leave hours which were not used, but are considered earned in accord with the above formula. (For example, if an employee separates upon completing the first six payroll periods of the calendar year and has already utilized the above 80 hours, the employee owes the Commission approximately 60 hours of time. If the employee separates upon completing the same first six payroll periods of the calendar year, but has used none of the above 80 hours, the employee would be entitled to payment of approximately 20 hours of non-elective annual leave time).

411 Military Spouse Leave

In accordance with the California law, Military and Veterans Code section 395.10, a qualified employee, who works an average of twenty hours or more per week, shall be entitled to take off up to ten days of unpaid leave during a qualified leave period of his or her spouse in the military, if his or her employer has 25 or more employees.

A qualified employee is a spouse of a qualified member of the Armed Forces, National Guard, and Reserves. A qualified leave period is when the qualified member of the military is on leave from deployment during a period of military conflict.

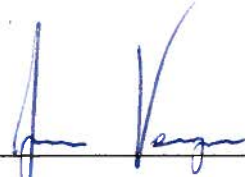

The qualified employee must submit written documentation to his or her employer certifying that his or her spouse will be on leave from deployment during the time the leave is requested.

This policy will be interpreted under the provision of California Military and Veterans Code section 395.10.

To the extent that any provision of this MOU is inconsistent with a provision of the Commission's Administrative and Personnel Policies or other governing rules and regulations, the provisions of this MOU shall prevail.

No Officer or employee at any level of the Commission may serve as a director, officer, partner, employee, consultant, agent, or representative, or have a financial interest in any organization unless on the basis of full

disclosure and such association has the specific written approval of the Executive Director. In addition, Officers and employees are required to abide by applicable federal, state and local statutes, regulations, and ordinances concerning outside employment.

Pursuant to Government Code 1126 an employee's outside employment, activity or enterprise for compensation may be prohibited if it: (1) involves the use for private gain or advantage of his/her Commission time, facilities, equipment and supplies, badge, uniform, prestige, or influence of his/her Commission office or employment; (2) involves receipt or acceptance by the Officer or employee of any money or other consideration from anyone other than the Commission for the performance of an act which the Officer or employee, if not performing such act, would be required or expected to render in the regular course or hours of his/her Commission employment or as a part of his/her duties as a Commission Officer or employee; (3) involves the performance of an act in other than his/her capacity as a Commission Officer or employee which may later be subject directly or indirectly to the control, inspection, review, audit, or enforcement of any other Officer or employee of the Commission, or (4) involves the time demands as would render performance of his/her duties as a Commission Officer or employee less efficient.

No person shall be employed or be contracted with for services who is related within the first degree of consanguinity—father, mother, sister, brother, spouse, or child—to an Officer or employee or a member of the Board, unless approved in advance by the Executive Director.

110.1 Employment of Spouse

An employment decision shall not be based on whether an individual has a spouse presently employed by the Commission except in accordance with the following criteria:

- 1) For business reasons of supervision, safety, security or morale the Commission may refuse to place one spouse under the direct supervision of the other spouse.
- 2) For business reasons of supervision, security or morale, the Commission may refuse to place both spouses in the same department, division or facility if the work involves potential conflicts of interest or other hazards greater for married couples than for other persons.

110.2 Accommodation for Co-Employees Who Marry

If co-employees marry, the Commission shall make reasonable efforts to assign job duties so as to minimize problems of supervision, safety, security, or morale.

111 Employment of Persons Who Live in the Same Residence

No person shall be employed or be contracted with for services who lives in the same residence as an Officer or employee or a member of the Board, without the advance written approval of the Executive Director. Employment decisions regarding persons who live in the same residence shall be made in accordance with the following criteria:

112 Working Hours

The Commission's standard business office hours are from 8:00 a.m. to 5:00 p.m. The standard workday is eight hours.

With approval from the Executive Director, Officers and employees may work an alternative 9/80 schedule. The 9/80 schedule involves working 80 hours over a 9-day period. On this alternative work schedule, Officers and employees may work nine hours in a workday.

113 Workweek

The standard workweek begins at 12:01 p.m. on Friday and ends at 12 noon the following Friday.

114 Work Schedule

The Executive Director shall assign work schedules as necessary to accomplish Commission business. Unless assigned to an alternative 9/80 schedule, employees shall work from 8 a.m. to 5 p.m., with a one hour unpaid meal break.

All standard and alternative work schedules shall start no earlier than 7:00 a.m. and end no later than 6:00 p.m. No exceptions to the work schedules contained herein may be authorized by anyone other than the Executive Director or his/her designee.

114.1 Meal Breaks

A one hour unpaid meal break is provided for all employees who work at least five hours on a given day. No ½ hour unpaid meal breaks shall be granted on a regular basis by anyone other than the Executive Director. Unpaid meal breaks may not be taken at the beginning or the end of the workday.

115 Overtime Standard

Overtime means time spent in excess of a standard workweek. Employees may be required to work hours in excess of the standard workweek at the discretion of the Executive Director. Overtime for non-exempt employees will be compensated with compensatory time off on a time and one-half basis for all hours worked over forty in a workweek or, with Executive Director's approval, pay at time and one-half of the employee's regular rate of pay.

Exempt employees are Officers and other professional employees of the Commission that comply with the Federal Fair Labor Standards Act regulations for exemptions. Exempt employees are paid on a salary basis, which amount is not subject to reduction because of the quality or quantity of the work performed. Exempt employees will not have deductions made from their pay for absences of less than one day. The Executive Director may approve up to five days of paid Administrative Leave per year for Officers in lieu of compensatory time.

115.1 Emergency/Holiday Overtime Pay

When a Commission employee is required to return to work on an observed holiday or weekend immediately following or preceding the holiday due to an emergency situation, the employee shall be compensated at two times the regular rate of pay for time worked in excess of two hours. An emergency situation is one in which the

employee has to immediately respond to the request of the Director or designee, and does not have the option to choose which day he/she can complete the work.

116 Employment Layoff

An Officer or employee may be laid off at the discretion of the Executive Director for any of the following reasons: (1) loss of funding; (2) lack of work; or (3) other budgetary considerations. In the event of a layoff, the Officer or employee will be given either two weeks notice or immediate separation with two weeks severance pay.

An employee who is laid off will have recall rights for three (3) months. Thereafter, he/she will lose all employee status with the Commission.

117 Medical Examination

Once an offer of employment with the Commission is made, a candidate for an Officer, regular, contract or some specified temporary employee positions is required to submit to a medical examination performed by an industrial medical facility specified by the Commission to determine his/her ability to perform the essential functions of the job offered. An Officer or employee may be required to submit to a medical examination after appointment. The examination is for the purpose of determining the Officer's or employee's physical and/or mental capabilities to perform the job duties of the position applied for in accordance with federal and state laws regarding persons with disabilities.

118 Background Investigation

An Officer or employee may be required to submit to a background investigation prior to or after appointment to determine his/her suitability to perform assigned duties. Fingerprinting may be required for the background investigation.

119 Standby and Callback Status

To ensure that housing developments will receive emergency repairs during hours not covered by the normal work schedule, it is the policy of the Commission that employees in the Maintenance Worker I, II, and III, classifications shall be assigned to standby "on call" status at the discretion of the Executive Director.

It is the practice of the Commission that those Maintenance Workers I, II, and III, who are assigned to be available on a standby basis to respond to emergency calls from the end of the work day Thursday to the subsequent

Thursday (two hours prior to normal start time), shall receive standby compensation for that period at \$125.00 for each Thursday through Thursday standby period. Recognized holidays falling on days consecutive with the weekend are considered as part of the normal standby compensation.

All Maintenance Workers may be called to respond to an emergency during hours not covered by their normal work schedule. However, Maintenance Workers are not required to remain on the employer's premises, but must notify Commission officials of where they may be reached. Therefore, they are not working while on call.

Maintenance Workers, including skilled trades, who are required to return to work to respond to an emergency call after the termination of his/her normal work shift and departure from the work location, but not less than 2 hours before the starting time of the next regular shift, shall be compensated for the actual time required to respond to the emergency call(s), calculated at 1 1/2 times their regular rate of pay. Employees shall receive overtime compensation for emergency after-hours maintenance service after the completion of forty regular hours during the workweek in accordance with the overtime provisions established in Section 115.

When a Maintenance Worker is required to return to work on an observed holiday or weekend immediately following or preceding the holiday, the Maintenance Worker shall be compensated at two times his/her regular rate of pay for time worked in excess of 2 hours.

120 Performance Evaluation System

The Executive Director shall establish and maintain a performance evaluation system that objectively assesses employee job performance in relation to assigned responsibilities. Written performance evaluations will be made at least annually. To be eligible for a salary increase, the employee must have satisfactorily performed the job requirements for his/her position during the period preceding the evaluation. An employee evaluated as not having satisfactorily performed job requirements will not be eligible for a salary increase, will be placed on a Needs Improvement Plan and/or subject to disciplinary action up to and including termination.

121 Personnel Classification

The Executive Director shall administer and maintain a personnel classification system.

122 Salary Placement

The Executive Director is authorized to make job appointments at a rate of pay within the approved job classification salary range for the purpose of attracting and retaining experienced and qualified personnel.

123 Advanced Level Placement

In order to be equitable and competitive, the Executive Director may make employee placement above the beginning of the classification salary range when justified by the candidate's experience and background.

124 Salary Movement

Based on job performance, Officer or employee compensation may be adjusted within the approved classification salary range. Salary adjustments are effective the day the adjustment is authorized by the Executive Director. Salary adjustments authorized in connection with an employee's annual performance evaluation are effective on an employee's anniversary date for the position they are currently holding. The compensation rate of the Executive Director will be adjusted in accordance with Board directives and approval.

125 Advanced Salary Movement

The Executive Director will report quarterly to the Board any Officer or employee salary increase exceeding 10% of previous salary.

126 Incentive System

To encourage outstanding performance in the achievement of Commission goals, the Executive Director shall be responsible for administering the Employee Incentive Program to reward valuable contributions or suggestions made by employees. Officers and employees shall be eligible to participate in the Employee Incentive Program.

127 Bilingual Compensation

Employees may receive a monthly compensation upon successful completion of a bilingual proficiency exam with written Division Director authorization, when the position assignment requires fluency in English and another language. Employees are not eligible for bilingual compensation during any unpaid leave of absence.

128 Holidays

On the observance of the holidays shown below, Officers and regular employees shall be entitled to the following paid holidays as long as they have been compensated for the day before and the day after the holiday is observed. Employees shall be compensated for the hours they would regularly work, not to exceed 8 hours.

| <u>Holidays</u> | <u>Observance</u> |
|--|-----------------------------|
| New Year's Day..... | January 1 |
| Martin Luther King Jr.'s Birthday..... | Third Monday in January |
| Presidents' Day. | Third Monday in February |
| Memorial Day..... | Last Monday in May |
| Independence Day..... | July 4 |
| Labor Day..... | First Monday in September |
| Columbus Day..... | Second Monday in October |
| Veterans' Day..... | November 11 |
| Thanksgiving Day..... | Fourth Thursday in November |
| Day after Thanksgiving..... | Friday after Thanksgiving |
| Christmas Day..... | December 25 |

When a holiday occurs on a Saturday, the preceding Friday will be observed. When a holiday occurs on a Sunday, the following Monday will be observed. Regular employees scheduled to work on holidays will be credited with compensatory time for hours worked on that day.

Those employees whose 9/80 Friday "off" falls on a Commission-observed holiday, will earn eight (8) hours of non-elective leave time which shall be added to the employee's leave bank during the pay period following the observed holiday. In any case where the employee has already earned the maximum amount of leave bank hours that shall be accumulated, eight (8) hours of cash compensation shall instead be provided to the employee.

Those employees actually working a 9/80 schedule during the payroll period when a "paid holiday" is observed, shall be provided the opportunity to work one (1) additional hour during the payroll week in which the "paid holiday" is observed. The purpose of providing the additional one (1) hour of work is to avoid a holiday-caused loss of one (1) hour of compensation during the impacted payroll week, as would be the result where a 9/80 employee receives holiday compensation in an amount not to exceed eight hours. It shall be the responsibility of the affected employee to initiate contact with the employee's supervisor in order to schedule the additional one (1) hour of work. The supervisor shall reasonably attempt to accommodate the employee's preference regarding the date and time

that the additional one (1) hour of work shall occur. Absent a supervisor's reasonable ability to accommodate the employee's preference in this regard, the supervisor shall calendar a different time for performance of the additional one (1) hour of work. The employee shall have the option of foregoing the additional one (1) hour of work, in which case, the employee's holiday compensation shall not exceed eight (8) hours as regards observance of the holiday. The employee shall initiate scheduling contact with the supervisor, not less than one work week prior to the date of observance of a holiday.

Employees on leave without pay are not entitled to holiday pay.

128.1 Floating Holiday

In addition to the above holidays, Officers and regular employees are granted one eight (8) hour floating holiday per calendar year. The floating holiday may be taken when approved in advance and must be used before any Elective Annual Leave may be used. Any floating holiday not used at the time of separation or at the end of the calendar year will be forfeited.

129 Mileage, Travel Expense and Automobile Allowance

129.1 Mileage and Travel Expenses

The Executive Director shall, from time to time, determine and submit for Board approval a reasonable reimbursement formula(s) and maximum reimbursement limit(s) to compensate Officers and employees for mileage and travel related expenses incurred on Commission business. All mileage, travel, and related expenses must be approved in advance by the Executive Director or his/her designee.

129.2 Auto Allowance

Subject to the authorization of the Executive Director, Officers are eligible for a fixed monthly automobile allowance. Officers receiving such allowance are not eligible to receive mileage reimbursement. This allowance is separate from reimbursement for car rental expenses incurred in connection with authorized business travel.

130 Use of Personal Vehicles

The Executive Director may require any Officer or employee to provide his or her own transportation to conduct Commission business. Staff using

personal vehicles must maintain a valid California Driver's License (CDL) and State of California minimum insurance coverage. Operating a Commission vehicle with an expired or suspended driver's license will result in disciplinary action up to and including termination. If an employee is involved in a vehicle accident using their personal vehicle, their insurance is primary. The Commission's insurance is excess over and above all other existing insurance policies.

The Commission maintains driving records for all employees who are required to drive on Commission business. Excessive accidents and/or violations or an inability to insure, except at premiums higher than the majority of other Commission drivers, may result in disciplinary action up to and including termination. Furthermore, employees who drive without a valid driver's license in the course and scope of their employment with the Commission, are subject to disciplinary action up to and including unpaid suspension and/or termination.

Commission employees who drive in the course and scope of their employment for the Commission must immediately notify Risk Management if their drivers' licenses have expired, without possible renewal, and or have been suspended, and shall not be permitted to drive on Commission business either in a Commission or their personal vehicle. Failure to do so may result in termination.

131 Professional Memberships/Dues

Subject to available funding, the Executive Director shall provide for necessary professional memberships, dues and publications.

132 Removal of Personnel

132.1 Officers and Regular Employees

All Officers and regular employees serve at the pleasure of the Executive Director and therefore may be removed at any time without stated cause. Officers and regular employees charged with misconduct shall be provided, in writing, pre-removal notification of the charge, the reasons therefore and the opportunity to respond. The pre-removal notification procedure shall be for the purpose of protecting the "liberty interests" of Officers and employees and does not in any way modify the right of the Commission to terminate Officers and employees at the pleasure of the Executive Director.

132.2 Temporary Employees

Temporary employees may be removed at the pleasure of the Executive Director without stated cause.

132.3 Contract Employees

Contract employees may be removed at the pleasure of the Executive Director without stated cause.

132.4 Acting Appointees

Acting appointees may be removed from such acting positions at the pleasure of the Executive Director.

133 Grievance Procedure

The Executive Director shall administer a grievance procedure for regular employees only, except that such procedure shall be exclusive of disciplinary matters. "Disciplinary matters" include, but are not limited to demotion, suspension, or removal.

134 Separation Pay

Upon separation, an Officer or employee will be compensated at his/her regular rate of pay for accrued annual leave or vacation pay, for his/her accrued overtime hours, and for his/her banked leave hours. An Officer or employee who purchases Elective Annual Leave will be compensated for leave purchased but not taken. An employee whose Elective Annual Leave for the calendar year has been exhausted and still shows a balance owing on purchased days will have the balance deducted from the employee's final pay check.

135 Additional Provisions

The Executive Director is authorized to establish additional procedures, not specified herein, to implement Commission policies.

136 Previous Service Credit

Effective August 1, 1984, the Executive Director is authorized to allow the following special provisions for Officers and regular employees hired into the Commission, who, prior to Commission employment were continuous employees of the Housing Authority of the County Los Angeles, subject to the limitations indicated:

- All Officers and regular employees may carry-over up to a maximum of 100 hours of accrued sick leave.
- All Officers and regular employees will be credited for continuous service time earned in their prior organization for purposes of accruing annual leave.
- All Officers and regular employees are eligible for noncompetitive appointment.

137 Unauthorized Use of Commission Property and Responsibility for Items
Furnished to Employee

The unauthorized access to, and use of, Commission property and equipment including, but not limited to, Commission identification badges, supplies, telephones, voicemail, computers, laptops, software, E-mail, Internet, facsimile machines, photo copiers, office space, vehicles, and other Commission-funded assets is prohibited.

In the course of employment, certain employees of the Commission may be furnished work-related items such as uniforms, Commission identification badges, office keys, master keys, entry authorization cards, pagers, cellular phones, laptop computers, tools and other office equipment. Any employee receiving such items shall return each and all of the same to the Commission in good condition, except reasonable wear and tear, at the termination of his/her employment for any reason. If any items are not returned by the last day worked, the reasonable value of such item(s) may be claimed against the employee and the employee agrees that such reasonable value may be deducted from such employee's pay.

Upon hire, all employees must read and sign an Authorization of Deduction form, which authorizes the Commission to recover the costs related to any items not returned at the termination of employment, including but not limited to the cost of personal telephone calls. No office equipment may be removed from the office without written permission from the supervisor.

The Commission reserves the right to recover and collect any salary overpayment from the employee, by any reasonable method allowed by law or in equity, including but not limited to deducting said overpayment from employee's subsequent paycheck(s) in one lump sum, in installments, or through some other reasonable repayment plan. The Commission further reserves the right to pursue any and all other rights and remedies afforded to it by law or in equity.

138 Substance Abuse

138.1 Purpose

It is the policy of the Commission to maintain a safe, healthy and productive work environment for all employees. To that end, management will act to eliminate any substance abuse (alcohol, illegal drugs, prescription drugs or any other substance which could impair the employee's ability to safely and effectively perform the functions of the particular job), which increases the potential for accidents, absenteeism, substandard performance, poor employee morale or damage to the agency's reputation, and places the safety of others at risk.

The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited on Commission property. Violations of the policy may result in discipline, up to and including termination.

138.2 Policy

1. It shall be grounds for termination to sell or trade any drugs or alcohol, while on duty or on Commission property.
2. It may be grounds for disciplinary action, up to and including termination, if any employee reports to work intoxicated, under the influence of, or has traces in his/her urine of alcohol, controlled substances, narcotics, amphetamines, barbiturates, prescribed or over-the-counter medications in excess of prescribed dosages, or other non-prescribed hallucinogenic substances, or becomes intoxicated or comes under the influence while on duty.
3. When a supervisor has reasonable cause to believe that an employee is under the influence of intoxicating liquor, controlled substances, narcotics, amphetamines, barbiturates, prescribed or over-the-counter medications in excess of prescribed dosages, or other non-prescribed hallucinogenic substances, the supervisor shall have the authority to order that employee, accompanied by a supervisor, to report immediately to a medical facility and to be examined by a physician and to take an appropriate test for drug or alcohol use. The examination shall be conducted while the employee is "on the clock". The Commission shall bear the expense of the examination, and shall provide

transportation to and from the medical facility and the employee's work station or residence, if necessary.

4. Should the examination show that the employee is intoxicated or under the influence of alcohol, controlled substances, narcotics, amphetamines, barbiturates, medications in excess of prescribed dosages, or other non-prescribed hallucinogenic substances, and has therefore, violated the above rules, the employee may be subject to disciplinary action, up to and including termination. Within 90 days of the examination and if requested by the employee, management shall have the examination sample retested by a state licensed independent laboratory/testing facility. The employee shall bear the expense of any independent examination requested.
5. An employee's failure to submit to an examination and test in accordance with this policy, when so ordered by management, will be considered insubordination, and grounds for immediate termination.

138.3 Confidentiality

All test results shall be kept confidential and will only be revealed to the employee tested and to Officers and employees of the Commission who need to utilize the information in order to carry out their job responsibilities.

138.4 Rehabilitation

Employees who have substance abuse problems will be encouraged to make every effort to overcome such problems and to utilize the services of the Employee Assistance Program (EAP), or another appropriate program. The EAP will not be used in lieu of discipline against an employee found to be in violation of this policy, but may be taken into consideration by management in determining the appropriateness of the disciplinary action to be taken. Any expenses incurred will be the responsibility of the employee.

139 Harassment

All employees are to be treated with respect, and dignity, and work in an environment free from harassment. Sexual harassment or harassment by another employee or supervisor for any reason, such as that based upon

race, color, religion, national origin, age, marital status, sex, gender identity, ancestry, political affiliation, disability, or sexual orientation by another employee or supervisor will not be tolerated under any circumstances, and can lead to disciplinary action, up to and including termination.

Sexual harassment includes soliciting sexual favors from an unwilling subordinate or co-worker in return for promotions, increased wages, continuance of the job, as well as other unwelcome verbal, physical, or visual conduct of a sexual nature such as uninvited touching, sexually related comments, or displaying objects or pictures that depict men or women in a sexually suggestive or derogatory manner.

Hostile Environment Sexual Harassment occurs when the reported conduct unreasonably interferes with an employee's job performance or creates an intimidating, hostile or offensive work environment. The alleged conduct must be sufficiently pervasive to alter the conditions of the victim's employment and create an abusive working environment.

Employees are to report incidents of harassment immediately to their supervisors or Human Resources in accordance with the Commission's procedures covering sexual harassment.

It is illegal to retaliate against an employee or participant of a Commission or Housing Authority program who complains in good faith of a violation or any harassment policy of the Commission.

140 Prohibition of Smoking in the Workplace

In accordance with state law, smoking is prohibited inside all CDC workplace(s), and within 20 feet of any entrance to a Commission facility. All interior working and public areas of the Commission are designated as non-smoking areas in which tobacco products may neither be used nor sold. Smoking is prohibited in all Commission-owned vehicles. Work and common-use areas of all Commission-owned and/or leased buildings shall be appropriately signed as non-smoking areas.

Smoking shall be permitted at least 20 feet away from any entrance to a Commission facility unless this would violate a safety rule.

141 Working Environment

The Commission's Injury and Illness Prevention Plan (IIPP) establishes the responsibility of each Officer and employee to maintain a safe and healthy work environment. The Plan promotes teamwork and cooperation among

employees, encourages conscientious customer service to the public, and assures a hazard-free work environment.

In addition, the Commission may establish policies, which encourage Officers and employees to maintain the highest degree of integrity, and which will not compromise the Commission's standards or programs. Any willful violations of the safety procedures or conduct standards may result in disciplinary action, up to and including termination.

200 EMPLOYEE BENEFITS

The Commission reserves the absolute right, in its discretion, at any time and from time to time, to discontinue coverage under any particular health and hospitalization plan, dental plan, life insurance plan, and/or disability insurance plan in which it or its employees have previously been enrolled and to substitute for such prior coverage alternate coverage which may be different in character and amount, and either more or less comprehensive. Officers and employees of the Commission shall not have or gain, by reason of their employment by the Commission, any vested rights in or to any particular health and hospitalization plan, dental plan, life insurance plan, and/or disability insurance plan coverage whatsoever.

Officers and employees may be required to make contributions for employee and dependent coverage.

The Commission reserves the right to recover and collect from the employee any amount owed by the employee for benefit insurances (e.g. medical, dental, vision, life and elective annual leave, etc.) by any reasonable method allowed by law or in equity, including but not limited to deducting said amounts from employee's subsequent paycheck(s) in one lump sum, in installments, or through some other reasonable repayment plan. The Commission further reserves the right to pursue any and all other rights and remedies afforded to it by law or in equity.

201 Continuous Service

An Officer or regular employee must be compensated for the equivalent of $\frac{3}{4}$ of his/her standard hours per pay-period to accrue annual leave and sick leave; to receive flex dollar credit; and to participate in insurance benefits. If an Officer or employee fails to be compensated for $\frac{3}{4}$ of his/her standard hours per pay-period, but wishes to continue insurance coverage, he/she may notify Human Resources of his/her decision in which case he/she will be required to pay premiums to continue insurance coverage.

202 Benefit Plans

202.1 Optional Benefits Plan

203 Retirement

As a condition of employment, Officers and regular employees shall participate in the California State Public Employees' Retirement System. (CALPERS).

The Commission will pay the normal employer portion of the (CALPERS) program and a portion of the employee's share of retirement contribution to a maximum four and one-half percent of the employee's monthly salary. 204 Health Insurance Coverage

The Commission will provide group health insurance coverage, pursuant to employees' benefit plan elections under Section 202.

205 Continued Health Insurance Under Federal Law-COBRA

Employees and/or their dependents (beneficiaries) are eligible to continue at their own expense their health coverage at a premium of 102% of the applicable group rate if the following conditions are met.

1. Employees, who are terminated (except those terminated for gross misconduct), or who have a reduction of hours (partial or full layoff or an extended leave of absence of more than 30 days), are eligible to continue their health insurance benefits for 18 months, thereafter such employees are entitled to convert at their own expense their group policy to individual policies.
2. Qualified beneficiaries, who are no longer eligible for group health coverage because of (1) death of the employee, (2) divorce or legal separation from the employee, (3) the employee becoming eligible for Medicare, or (4) a dependent child of an employee being no longer qualified as a dependent, are eligible to continue their health insurance coverage for 36 months; thereafter such qualified beneficiaries are entitled to convert at their own expense their group policy to individual policies.
3. Disabled qualified beneficiaries may be charged 150% of the applicable group rate, after the initial 18-month period of continuation coverage. The qualified beneficiary's disability must be determined under Title II (Old Age, Survivors, and Disability Insurance) and Title XVI (Supplemental Security Income) of the Social Security Act. It is the qualified beneficiaries responsibility to obtain the disability determination from the Social Security Administration (SSA). A copy of the determination must be submitted to the Commission within 60 days of the date of the determination and before the end of the 18-month period for COBRA continuation in order to continue coverage under COBRA. If the qualified beneficiary is determined by SSA to no longer be disabled, the qualified beneficiary must notify the Commission of that fact within 30 days of SSA's determination.

2. Commission ceases providing any group health plan to employees.
3. The premium is not paid timely by the employee and/or the beneficiary.

The other elements of Section 301.1 shall remain unchanged unless incompatible with this modification, in which case those incompatible sections shall be brought into compliance with this proposed modification.

Subject to the "Continuous Service Rule," and the requirement that an employee shall have completed one full calendar month of compensated service.) Subject to the above accrual rate of 3.334 hours per pay period, on January 1 of each calendar year, each affected employee shall be credited with 80 hours of non-elective annual leave. Upon being credited, all such hours shall be available for use in accord with CDC policies governing application for, and granting of, use of non-elective annual leave. However, if any affected employee separates from CDC employment prior to having completed the 24 pay periods by which the 80 hours is earned at the 3.334 hours per pay period rate, that employee shall be required upon separation to reimburse the CDC for the value of non-elective annual leave hours which have been utilized at the time of separation, but which would have not have been earned pursuant to the above formula. Conversely, at the time of separation from employment, the employee shall be authorized to convert to cash the value of those non-elective annual leave hours which were not used, but are considered earned in accord with the above formula. (For example, if an employee separates upon completing the first six payroll periods of the calendar year and has already utilized the above 80 hours, the employee owes the CDC approximately 60 hours of time. If the employee separates upon completing the same first six payroll periods of the calendar year, but has used none of the above 80 hours, the employee would be entitled to payment of approximately 20 hours of non-elective annual leave time.)

A new hire will begin accruing leave on the first pay period after the employee completes one full calendar month of compensated service. The non-elective annual leave hours are subject to the continuous service rule. The non-elective annual leave may be used for vacation, personal or family illness or injury, or personal leave purposes for employees who are enrolled in the Flexible Benefits Plan.

Up to 160 hours of elective annual leave may be purchased as part of the Flexible Benefits Plan. Before an employee can use any of the purchased elective hours the employee is required to use all non-elective leave hours issued on January 1 of the same Plan Year.

| 121 months or more of service..... | 15 workdays plus one workday for each 12 months over 120 months (not to exceed 20 workdays) |
